

CHURCH WARDEN'S NOTE-BOOK

We have attached a Church Warden's Note-book to the 'What's On' Notice board in the Church. This is for anyone to note down anything they notice that needs attention in and around the Church. You can also note down any suggestions that you may have to do with running of St. Mary's church, any questions, or anything else you would like to draw our attention to. We hope this will make it easier for us to prioritise what needs addressing and ensure nothing gets forgotten! You can, of course, still contact us via phone or the Church Office.

Best Wishes

Chris and Paul

Helpful Info ...

Loop System: For people who are hard of hearing the church has a 'loop system'. Please adjust your hearing aid to 'T' and if possible sit at least 2 feet away from church walls.

Toilet Facilities: The toilet is located at the back of the church through the doors to the kitchen.

AUTUMN FAIR Saturday 20th November 11am - 2pm Bures Community Centre

Just a little reminder that we have the Autumn Fair to look forward to this November - which we hope will be a bumper one, as we were unable to hold it last year. We are sharing the profits between Water Aid and Foodstore - both very worthy charities.

As usual we will be serving tea, coffee and cake, plus Light Lunches and stalls will include, Gifts, Bottles, Grand Raffle, Bric -a -Brac, CD & DVD's, Cakes, Plants & Produce, Books, Toiletries and Chocolate Tombola!

If you have anything you can donate, please contact the stallholder direct (stallholders details can be found in the November edition of the Parish Magazine).

A Rocha are now looking forward to the next five years, having launched their new vision and strategy for 2021-25. They are seeking to encourage more Christian organisations to manage their land for nature, more churches and Christians to engage in practical action to protect nature and address climate change, and for more people to benefit from access to nature on land owned or managed by churches, Christian organisations and individuals.

In the face of accelerating climate change and species loss - and as we approach the COP26 UN Climate Change Conference - we would welcome your prayer for our work more than ever. Please join us by visiting: arocha.org.uk/prayer-diary. We believe that together our individual actions and prayers will make a difference as we seek to protect and restore the environment around us.
