

**We pray for**

We pray for the family of Betty Pilgrim as they prepare for her funeral next Friday.

*We offer a private and personal ministry of prayer at every **10:30 Communion Service**. Prayer Ministry starts whilst the bread and wine is being distributed, so if you wish to bring anything to God, please feel free to go to the South Porch at any point after you have taken Communion/received a blessing or at the end of the service where two people will pray with you.*

*Care and support in prayer is available right up until the last person leaves church. Please be assured that our Prayer Ministry team is always there for everyone, no matter how big or small the need. If you would like prayer after any other Service, please approach one of our Prayer Team Members who will usually be wearing their badges.*

### **Helpful Info ...**

**Loop System:** For people who are hard of hearing the church has a 'loop system'. Please adjust your hearing aid to 'T' and if possible sit at least 2 feet away from church walls.

**Toilet Facilities:** The toilet is located at the back of the church through the doors to the kitchen.

## Latest Covid Guidance

Firstly, can we thank you all for your continuing collective support in keeping everyone as safe and healthy as we can while in church, throughout the many government and Church of England changes in guidelines.

The government has now lifted many restriction **BUT** Covid-19 is still with us and Covid rates locally remain very high. Whilst face coverings are no longer mandatory, the NHS strongly advise their continued use in enclosed places, particularly where you come into contact with people you don't normally meet. We therefore strongly encourage you to continue to wear a mask in church to help protect us all. We will also continue with our attendance register for the time being and provide hand sanitizer in church.

Best Wishes

***Chris and Paul***
